17 the explanation's substance by the members of the general assembly.

18 This bill relates to the approval and imposition of the
19 local option sales and services tax. Current Code chapter 423B
20 authorizes the imposition of local option taxes, including
21 a local option sales and services tax. Currently, such a
22 proposed tax is only presented to the voters of a whole county
23 upon the filing of a petition signed by eligible electors of
24 the county equal in number to 5 percent of the persons in
25 the county who voted at the last preceding general election
26 or upon receipt by the county commissioner of elections of
27 motions requesting such submission, adopted by the governing
28 bodies of the cities located within the county or the governing
29 body of the county for the unincorporated area of the county,
30 representing at least one-half of the population of the county.

31 The bill amends the methods of seeking presentment of the
32 local option sales and services tax to the voters of certain
33 qualified counties by allowing the eligible electors of
34 individual cities and the unincorporated area of a county to
35 file a petition for an election to be held in the petitioning

1 jurisdiction if such petition is signed by eligible electors
2 of the city or the unincorporated area of the county, as
3 applicable, equal in number to 5 percent of the persons in
4 the applicable city or unincorporated area of the county who
5 voted at the last preceding general election. The bill defines
6 "qualified county" to mean a county with a population in excess
7 of 400,000, a county with a population of at least 60,000 but
8 not more than 70,000, or a county with a population of at least
9 46,000 but not more than 48,000, according to the 2010 federal
10 decennial census. For those qualified counties, the bill also
11 removes the requirement that in order to have the local sales
12 and services tax presented to the voters, motions must be
13 approved by cities or the county for the unincorporated area,
14 representing at least one-half of the county's population.
15 Instead, the bill allows individual cities or the county for
16 the unincorporated area within a qualified county to approve a
17 motion for an election on the local sales and services tax to
18 be held in only that jurisdiction.

19 The bill specifies that except for purposes of allocating
20 local sales and services tax receipts based on the county in
21 which the tax was collected, a city shall be deemed to be
22 located in a qualified county if a majority of the population
23 of the city, according to the 2010 federal decennial census,
24 resides in the qualified county.

25 The bill provides that in a qualified county a city or the
26 board of supervisors for the unincorporated area of a county
27 may repeal the local sales and services tax in the city upon
28 adoption of its own motion for repeal.

29 For those counties that are not qualified counties, the
30 methods of seeking presentment of the local option sales and
31 services tax to the voters and the methods for repealing such
32 a tax remain the same as required under current Code chapter
33 423B.

34 The bill provides that each city or county for which the
35 imposition of the local sales and services tax was approved at

1 election on or after July 1, 2015, shall use not less than 50
2 percent of the moneys received for property tax relief.

3 The bill strikes special provisions related to the approval
4 and imposition of a local sales and services tax in a city that
5 is located in two or more contiguous counties.

6 The bill provides that a local sales and services tax is
7 not applicable to transactions of a retailer holding a retail
8 sales tax permit at a place of business if the retailer's place
9 of business is located in part within a city or unincorporated
10 area of the county where the tax is not imposed.

11 Current Code chapter 423B authorizes the imposition of a
12 local sales and services tax at a rate of not more than 1
13 percent. The bill requires a local sales and services tax, if
14 imposed, to be 1 percent.

15 The bill provides that the imposition of local option
16 taxes in effect on the effective date of this Act shall not
17 be affected by the bill and such taxes shall continue to be
18 imposed until their repeal pursuant to Code chapter 423B.
19 The law in effect regarding repeal at the time of the repeal
20 governs the repeal of the local option taxes.
